Parent/Student Acknowledgement of Student Handbook/Code of Conduct	42

Welcome to Monroe Preparatory Academy. Our staff is pleased to have you here as a student and as a supportive parent. We will do our best to help you and make your experience here productive and successful.

This **Parent-Student Handbook** has pertinent information, rules and regulations. Therefore, it is important that **every** parent and student read and become familiar with its contents. This handbook is developed so we can have a safe and organized program and to create an understanding between students, parents and Monroe Preparatory Academy.

The administration and staff appreciate your support. We hope that your child's school year will be both educational and enjoyable.

The Board of Trustees of Monroe Preparatory Academy encourages students, staff, administration and parents to review this document and submit proposed modifications to the HEAD OF SCHOOL's office no later than March 1 of each school year. The HEAD OF SCHOOL will then compile all such recommendations and will provide for a review of the Parent-Student Elementary Handbook. The Academy Board also invites all parents to attend their monthly meetings which are open to the public. Dates and times to be announced.

If at any time during the school year you have questions, suggestions, or concerns, please do not hesitate to contact Monroe Preparatory Academy.

Monroe Preparatory Academy and parents are a working partnership, providing your child(ren) with the best educational opportunities possible.

Please sign and return the Acknowledgement page at the back of this document and return it to school with your child. This will let us know that you have received and read the handbook. Thank you for your cooperation in advance.

FOREWORD

This student handbook was developed to answer many of the commonly asked questions that you and your parents may have during a school year. Because the handbook also contains information about student rights and responsibilities, each student is responsible for knowing its contents. Please take time to become familiar with the following information and keep the handbook available for your and your parents' use. It can be a valuable reference during the school year and a means to avoid confusion and misunderstanding when questions arise. Should you have any questions that are not addressed in this handbook contact your Chief Administrative Officer (HEAD OF SCHOOL).

This handbook supersedes all prior handbooks and other written or oral statements regarding any item in this handbook. This handbook should not be construed to accord any rights or privileges to students or families beyond those accorded by law. This handbook may be revised at any time, with or without notice.

MISSION OF THE MONROE PREPARATORY ACADEMY

It is the policy of this MPA to provide equal educational opportunities for all students.

Any person who believes that Monroe Preparatory Academy or any staff person has discriminated against a student based on race, color, creed, age, disability, religion, gender, ancestry, national origin, or other protected characteristics, or social or economic background, has the right to file a complaint. A formal complaint can be made in writing to the Chief Administrative Officer.

The complaint will be investigated and a response, in writing, will be given to the concerned person within 30 days. Under no circumstances will Monroe Preparatory Academy threaten or retaliate against anyone who raises or files a complaint.

SCHOOL DAY

The school day is 7:50 a.m. to 2:50 p.m.

TESTING AND COMPULSORY ATTENDANCE

Monroe Preparatory Academy is a community school established under Chapter 3314 of the Ohio Revised Code. The Monroe Preparatory Academy is a public school and students enrolled in and attending MPA are required to take achievement tests and other examinations prescribed by law. In addition, there may be other requirements for students at MPA that are prescribed by law. Students who have been excused from the compulsory attendance law for home education as defined in the Administrative Code shall no longer be excused for that purpose upon their enrollment in a community school. For more information about this matter contact the HEAD OF SCHOOL or the Ohio Department of Education.

STUDENT RIGHTS AND RESPONSIBILITIES

The rules and procedures of Monroe Preparatory Academy are designed to allow each student to obtain a safe, orderly, and appropriate education. **STUDENTS ARE EXPECTED TO FOLLOW TEACHERS' DIRECTIONS AND OBEY ALL THE MPA RULES.** Disciplinary procedures are designed to ensure fairness before a student is removed from curricular activities because of his/her behavior. Students may be removed from extracurricular activities at the discretion of the Academy HEAD OF SCHOOL or of the person responsible for directing, supervising or coaching the activity.

Students in Monroe Preparatory Academy system have the responsibility to act in such a way as not to interfere with the rights of others to the same educational opportunity. **BY ACCEPTING THE RIGHT TO PARTICIPATE IN ACADEMY PROGRAMS ON OR OFF ACADEMY PROPERTY, STUDENTS SHALL ACCEPT THE RESPONSIBILITY TO CONDUCT THEMSELVES ACCORDING TO THE RULES AND REGULATIONS AND PROVISIONS GOVERNING THE OPERATION OF THESE PROGRAMS.** The ideal of any educational experience is for the students to become self-disciplined.

Monroe Preparatory Academy HEAD OF SCHOOL is responsible for establishing and enforcing procedures necessary to ensure that student rights are preserved and that accompanying responsibilities are carried out. Students may forfeit certain rights when it can be demonstrated that they are not assuming or showing responsibility. There is a right of appeal by students who believe their rights have been violated. An appeal process for suspension and expulsion is outlined in the appropriate section of the guidelines. It should be noted that Monroe Preparatory Academy HEAD OF SCHOOL must use discretionary judgment in taking disciplinary action.

Parents have the right to know how their child is succeeding in Monroe Preparatory Academy and will be provided information on a regular basis and as needed, when concerns arise. Many times, it will be the student's responsibility to deliver that information. If necessary, the mail or hand delivery may be used to ensure contact. Parents are encouraged to build a two-way link with their child's teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

The staff expects students to arrive at Monroe Preparatory Academy prepared to learn. It is the student's responsibility to arrive on time and be prepared to participate in the educational program.

STUDENT WELL-BEING

Student safety is the responsibility of the staff. All staff members are familiar with emergency procedures such as fire and tornado drills as well as accident reporting procedures. Should a student be aware of any dangerous situation or accident, she/he must notify any staff person immediately.

Monroe Preparatory Academy requires that all students must have an accurate emergency medical form completed, signed by a parent or guardian, and filed in Monroe Preparatory Academy's office. A student may be excluded from Monroe Preparatory Academy until this requirement has been fulfilled.

Parents of students with specific health care needs **MUST** submit those needs, in writing and with proper documentation by a physician, to Monroe Preparatory Academy's office. The Monroe Preparatory Academy retains the discretion to reject requests for administration of medicine. (See Use of Medication section) Monroe Preparatory Academy will permit a

student to possess and use an asthma inhaler upon compliance with Monroe Preparatory Academy medication policy. Video cameras and other monitoring equipment may be in use at MPA to help assure the safety of students, staff and visitors.

AUTOMATED COMMUNICATIONS/EMERGENCY

Monroe Preparatory Academy will rely on contact information on file with the MPA's office to communicate with parents in an emergency situation, which may include real-time or automated messages. Progress reports are sent home to the parents of all students at the midpoint of each ten-week grading period. They are used to inform parents of any problem or improvement of the students.

Parent-Teacher Conferences are scheduled in the fall and spring. Monroe Preparatory Academy calendar will list the exact dates. The classroom teacher will schedule conferences. Parents may arrange a conference with their child's teacher any time during the academic year by contacting Monroe Preparatory Academy and arranging an appointment.

PROMOTION, PLACEMENT, AND RETENTION

Many factors are taken into consideration when a student is promoted to the next level or retained at their current grade level. Each child is treated as an individual case and will be given individual consideration. Monroe Preparatory Academy does not endorse social promotion.

The teachers are to confer with the HEAD OF SCHOOL concerning all retentions.

Parents are to be notified of possible retention in writing, near the end or directly after the third ten-week grading period.

A final decision to retain a student will be made no later than one week before Monroe Preparatory Academy's year ends, and parents will be notified in writing. Teachers will arrange conferences with the parent to explain the benefits of retention and the probable effect it will have on the student's educational growth.

The HEAD OF SCHOOL will be available to discuss the reasons for promotion or retention of any student.

HOMEWORK

The assignment of homework should be expected. It is the **student's** responsibility to complete and turn in homework assignments. Homework is part of the student's preparation for assessments and their academic progress.

COMPUTER TECHNOLOGY AND NETWORKS

The use of the Network is a privilege, which may be revoked by MPA at any time and for any reason. Students may not use technological equipment or visit any internet site without expressed permission from MPA personnel. Appropriate reasons for revoking privileges include, but are not limited to, the altering of system software or the placing of unauthorized information, computer viruses or harmful programs on or through the computer system in either public or private files or messages or the access of inappropriate materials deemed harmful. Monroe Preparatory Academy reserves the right to remove files, limit or deny access, and refer the student for other disciplinary actions.

STUDENT ASSESSMENT

To measure student progress, students will be tested in accordance with State standards and MPA policy.

Ohio Achievement Assessments for reading are administered twice per academic year for the third grade, and once per academic year for all other subjects for grades 4th-8th. Dates are subject to change by the Ohio Department of Education. Parents will be informed of these dates through the school calendar.

Unless exempted, each student will be expected to pass the appropriate Ohio Achievement Assessments. Make-up dates are scheduled, but unnecessary absences should be avoided.

Additional group tests, such as Measures of Academic Progress (MAP), will be administered in the fall, winter and spring to monitor progress and determine educational mastery level. These tests are used to help the staff determine instructional needs. We also utilize several assessments through supplemental academic technology or through group and/or

individualized progress monitoring, such as DIBELS. Please ask your building HEAD OF SCHOOL or DIRECTOR OF ACADEMICS any questions you may have regarding assessments.

Classroom tests will be used to assess student progress and assign grades. These are selected or prepared by teachers to assess how well the students have achieved specific standardized objectives.

SECTION III – STUDENT CONDUCT

ATTENDANCE

MPA Attendance Policy

IT IS IMPERATIVE THAT STUDENTS BE IN ATTENDANCE EACH SCHOOL DAY IN ORDER NOT TO MISS A SIGNIFICANT PORTION OF THEIR EDUCATION. Important learning results from active participation in classroom and other MPA activities, which cannot be replaced by individual study.

Monroe Preparatory Academy is also concerned about helping students develop a high-quality work ethic, which will be a significant factor in their success with future employers. One of the most important work habits that employers look for in hiring and promoting a worker is his/her dependability in coming to work every day and on time. This is a habit MPA wants to help students develop as early as possible.

Truancy

A "habitual truant" is a child of compulsory school age who is absent without a legitimate excuse for five or more consecutive school days, seven or more school days in one school month, or twelve or more school days in a school year. A "chronic truant" is any child of compulsory school age who is absent without a legitimate excuse for seven or more consecutive school days, ten or more school days in one school month, or fifteen or more school days in a school year.

Ohio law demands that any student who, without legitimate excuse, fails to participate in 105 consecutive hours of learning opportunities offered to the student by Monroe Preparatory Academy shall be automatically withdrawn from Monroe Preparatory Academy. Monroe Preparatory Academy will provide the parent/guardian notice and an opportunity to respond prior to an automatic withdrawal.

Monroe Preparatory Academy will send notice of automatic withdrawal to the Erie County Court of Common Pleas, Juvenile Branch, and to the public school district where the student's parent/guardian resides.

Unexcused absence from Monroe Preparatory Academy (truancy) is not acceptable. Students who are truant will receive no credit for MPA work that is missed. A student's designation as a habitual or chronic truant may result in a hearing before a judge in a court of law and/or a report to local authorities concerning lack of parental responsibility in providing proper care and supervision of a child.

Monroe Preparatory Academy shall attempt to address student attendance problems through a variety of prevention and intervention strategies. These measures may include, but are not limited to, the following:

1. Calling parent/guardian to inform him/her that a child is not in attendance whenever his/her child is not present at pre-designated call times.
2. Taking disciplinary action against a student for truancy, in accordance with the student code of conduct
3. Offering counseling to the family of a student with truancy problems
4. Requiring the parent/guardian to contact Monroe Preparatory Academy to discuss the student's absences
5. Giving a student and his/her parent/guardian written warning about the possible legal consequences of truancy
6. Requiring the student's parent/guardian to attend a parental education or training program to encourage parental involvement in compelling the student's attendance at MPA.
7. Initiating automatic withdrawal from MPA

Monroe Preparatory Academy will endeavor to work cooperatively with the appropriate state and local agencies to deal with the issue of habitual and chronic truancy. The Academy will assure:

1. The attendance policy will be issued annually to parents/guardians (parents/guardians are asked to acknowledge receipt of the policy in writing.)
2. Monroe Preparatory Academy will maintain a "flagging" system to identify absent students as potential habitual and chronic truants before they meet the mandatory timelines for classification as such. Parents/Guardians of these students are to be informed of the concern and consequence of such absenteeism.
3. Monroe Preparatory Academy has appointed its Behavioral Intervention Specialist (or designee) as the attendance officer for Monroe Preparatory Academy. This person may be subpoenaed to Court to verify and testify should there be questions about attendance issues.
4. Letters of notification and warning will be sent via U.S. mail to the parents/guardians of each habitual and chronic truant.
5. The appropriate state and local agencies will be notified when a child meets the habitual truant standard.

Teachers are encouraged to consult with the BIS about a student's attendance problems and to suggest to students and their parents that more formal interventions may become necessary.

If an enrolled student is considered a chronic truant, and the enrolled student's parent/guardian fails to compel the student's attendance at Monroe Preparatory Academy, Monroe Preparatory Academy may file a complaint jointly against the student and the student's parent or guardian in accordance with Ohio law.

Excused Absences

Students may be excused from Monroe Preparatory Academy for one of the following reasons and will be provided an opportunity to make-up missed MPA' work and/or tests:

- personal illness, but not illness in the family unless the circumstances are approved by the HEAD OF SCHOOL
- death in the immediate family
- religious holiday
- professional appointments that cannot be scheduled at non-school times
- absences approved by the HEAD OF SCHOOL

Students with a health condition that causes repeated absence are to provide Monroe Preparatory Academy' office with an explanation of the condition from a registered physician.

PARENTS MUST PROVIDE AN EXPLANATION FOR THEIR CHILD'S ABSENCE BY NO LATER THAN 9:00 A.M. ON THE DAY OF THE ABSENCE AND SEND A NOTE WHEN **THE CHILD RETURNS TO SCHOOL.** They are to call the Monroe Preparatory Academy office and explain the reason for the absence. If the absence can be foreseen (the "good cause" must be approved by the HEAD OF SCHOOL), the parent should arrange to discuss the matter as many days as possible before the absence will occur so that arrangements can be made to assist the student in making up the missed school work. If a parent does not call the MPA, the MPA office will call at a pre-determined time to notify the parent/guardian to inform him/her that their child is not in attendance.

Students who are excusably absent for more than ten (10) days in a grading period, regardless of the reasons, will be considered "frequently absent." If there is a pattern of frequent absence for "illness," the parents will be required to provide a statement from a physician describing the health condition that is causing the frequent illness and the treatment that is being provided to rectify the condition. Without such a statement, the student's permanent attendance record will indicate "frequent unexplained illness".

During the next grading period, a "frequently-absent" student will be placed on "attendance watch" to monitor whether the pattern continues.

Suspension and expulsion from Monroe Preparatory Academy

A suspended or expelled student should take self-responsibility for completing schoolwork missed due to suspension or expulsion. It is recommended that students complete missed assignments during the suspension or expulsion and turn them into the teacher upon his/her return to school. Assignments may be obtained from the teacher within two (2) days of a suspension or expulsion. The student will not be given credit for improperly completed assignments.

Excusable, Non-approved Absence

If a student is absent from MPA because of illness or vacation, the absence will not be considered truancy, and she/he may be given the opportunity to make up the schoolwork that is missed.

Unexcused Absences

Any student who is absent from Monroe Preparatory Academy for all or any part of the day without a legitimate excuse may be considered truant and the student and his/her parents may be subject to the truancy laws of the State of Ohio.

Notification of Absence

IF A STUDENT IS GOING TO BE ABSENT, THE PARENTS MUST CONTACT MPA BY 9:00 A.M. AND PROVIDE AN EXPLANATION. IF PRIOR CONTACT IS NOT POSSIBLE, THE PARENTS SHOULD PROVIDE A WRITTEN EXCUSE AS SOON AS POSSIBLE. WHEN NO EXCUSE IS PROVIDED, THE ABSENCE WILL BE UNEXCUSED AND THE STUDENT WILL BE CONSIDERED TRUANT.

If the absence of a student appears to be questionable or excessive, Monroe Preparatory Academy staff will try to help parents improve their child's attendance.

An excused absence allows the student to make up all possible work. It is the responsibility of the student to obtain missed assignments. It is possible that certain kinds of schoolwork such as labs or skill-practice sessions cannot be made up and, as a result, may negatively impact a student's grade.

The skipping of classes or any part of Monroe Preparatory Academy's day is considered an unexcused absence and no make-up of class work will be permitted. Disciplinary action will follow.

Tardiness

A student who is not in his/her assigned location by the start of the Monroe Preparatory Academy day shall be considered tardy. **Any student arriving late to Monroe Preparatory Academy is to report to the office with a parent/guardian to sign them in before proceeding to class.** A pass is required for admittance to class. If a student misses any part of the instructional school day, his/her attendance is affected. Excessive tardiness causes students to miss instruction which will impact their academic achievement.

Vacations during the school year

Parents are encouraged not to take their child out of Monroe Preparatory Academy for vacations. When a family vacation must be scheduled during the school year, the parents should discuss the matter with the HEAD OF SCHOOL and the student's teacher(s) to make necessary arrangements. It may be possible for the student to receive certain assignments that can be completed during the trip.

Make-up of Tests and Other MPA'S Work for Excused Absences

Students who are excusably absent from MPA shall be given the opportunity to make-up work that has been missed. The student should contact the teacher as soon as possible to obtain assignments.

Students will be given the number of days of excused absence within which to make-up work.

If a student misses a teacher's test due to an excused absence, she/he will be given the opportunity to take the missed test at a time designated by the classroom teacher. If she/he

misses an Ohio Air Test or other standardized tests, the student should consult with the teacher to arrange for taking the test within the testing window.

STUDENT ATTENDANCE AT MONROE PREPARATORY ACADEMY EVENTS

Monroe Preparatory Academy encourages students to attend as many MPA events held after school as possible, without interfering with their schoolwork and home activities. Enthusiastic spectators help to build Monroe Preparatory Academy spirit and to encourage those students who are participating in the event.

However, to ensure that students attending evening events as spectators are properly safeguarded, it is strongly advised that a parent or adult chaperone accompany students when they attend the event. **Monroe Preparatory Academy will not be able to supervise unaccompanied students nor, will MPA or its staff be responsible for students who arrive without an adult chaperone.**

Monroe Preparatory Academy will continue to provide adequate supervision for all students who are participants in MPA activities. Students must comply with the Code of Conduct at all MPA events, regardless of the location. Unacceptable student behavior may prohibit a student's attendance at school events.

STUDENT RULES OF CONDUCT

A major component of the educational program at Monroe Preparatory Academy is to prepare students to become responsible workers and citizens by learning how to conduct themselves properly and in accordance with established standards.

If a student continues to dress out of uniform, the parent may be contacted with a written notice, asked to come in for a meeting, or contacted to take the student home.

Care of Property

Students are responsible for the care of their own personal property. MPA will not be responsible for personal property. **Valuables such as jewelry or irreplaceable items should not be brought to Monroe Preparatory Academy.** Monroe Preparatory Academy may confiscate such items and return them to the student's parents. Excessive amounts of cash are also not to be brought to school.

Damage to or loss of MPA' equipment and facilities wastes taxpayers' money and undermines Monroe Preparatory Academy' program. Therefore, if a student does damage to or loses school property, the student or his/her parents will be required to pay for the replacement or damage. If the damage or loss was intentional, the student will also be subject to discipline according to the Student Code of Conduct, and the incident may be reported to law enforcement officials.

SEARCH AND SEIZURE

Search of a student and his/her possessions may be conducted at any time the student is under the jurisdiction of the Board of Trustees, if there is a reasonable suspicion that the student is in violation of law or MPA' rules. A search may also be conducted to protect the health and safety of others. All searches may be conducted with or without a student's consent.

Students may be provided lockers, desks, and other equipment in which to store materials. It should be clearly understood that this equipment is the property of Monroe Preparatory Academy and may be searched at any time, *with or without* reasonable suspicion that a student has violated the law or Monroe Preparatory Academy rules. Locks are to prevent theft, not to prevent searches. All property of Monroe Preparatory Academy, including lockers, may be subject to random or for-cause search.

Students should have no expectation that any information contained on such systems is confidential or private.

Review of such information may be done by Monroe Preparatory Academy with or without the student's knowledge or permission. The use of passwords does not guarantee confidentiality, and Monroe Preparatory Academy retains the right to access information despite a password. All passwords or security codes must be registered with the instructor. A student's refusal to permit such access may be grounds for disciplinary action.

STUDENT RIGHTS OF EXPRESSION

Monroe Preparatory Academy recognizes students' right of expression. With the right of expression comes the responsibility to do it appropriately. Students may distribute or display, at appropriate times, non-sponsored, noncommercial written material and petitions; buttons, badges, or other insignia; clothing, insignia, and banners; and audio and video materials. All items must meet the following MPA' guidelines:

STUDENT CONCERNS, SUGGESTIONS, AND GRIEVANCES

Monroe Preparatory Academy is here for the benefit of the students. The staff is here to assist each student in becoming a responsible adult. If a student has suggestions that could improve MPA, she/he should feel free to offer them. Written suggestions may be presented directly to the HEAD OF SCHOOL.

When concerns or grievances arise, the best way to resolve the issue is through communication. No student will be harassed by any staff member or need fear reprisal for the proper expression of a legitimate concern. As with suggestions, concerns, and grievances may be directed to the HEAD OF SCHOOL.

A student may have the right to a hearing if the student believes she/he has been improperly denied participation in an MPA activity or has been subjected to an illegal rule or standard. A student may not petition to have a change in grade.

STUDENT CODE OF CONDUCT

The Board of Trustees has adopted the following Student Code of Conduct. The Code includes the types of misconduct that will subject a student to disciplinary action and the procedures for implementing disciplinary action.

It is the responsibility of the staff at Monroe Preparatory Academy to provide a safe and orderly learning environment. History has shown that certain student actions are not

compatible with a "safe" and "orderly" environment. Discipline is within the sound discretion of the staff and administration at Monroe Preparatory Academy.

The following provides examples of major areas that could result in disciplinary action. The absence of a behavior or any specific action from the list does not mean that such conduct does not violate the discipline code or cannot be disciplined.

EXPLANATION OF TERMS APPLYING TO THE STUDENT CODE OF CONDUCT

(Organized by Rule Number)

Each of the behaviors described below may subject the student to disciplinary action including suspension and/or expulsion from Monroe Preparatory Academy and/or notification of law enforcement authorities.

1. Conduct Involving Drugs

Monroe Preparatory Academy is a "Drug Free" zone within the boundaries of the school safety zone established by State law as well as to any MPA' activity and transportation. This means that any activity - sale, use, distribution, or use of drugs, alcohol, fake drugs, steroids, inhalants, or look-alike drugs is prohibited. If caught, the student could be suspended or expelled and law enforcement officials may be contacted. Sale also includes the possession or sale of over-the-counter or prescription medication to another student.

2. Use of Breath-Test Instruments

The HEAD OF SCHOOL or assistant administrator or designee may arrange for a breath test for blood-alcohol to be conducted on a student whenever she/he has individualized reasonable suspicion to believe that a student has consumed an alcoholic beverage. Imposition of a breath test is at the discretion of Monroe Preparatory Academy, and discipline may be imposed without a breath test upon other evidence of use of alcohol.

The student will be taken to a private administrative or instructional area on Monroe Preparatory Academy property with at least one (1) other member of the teaching or administrative staff present as a witness to the test.

The purpose of the test is to determine whether the student has consumed an alcoholic beverage. The amount of consumption is not relevant, except where the student may need medical attention.

If the result indicates a violation of MPA' rules as described in this handbook, the student will be disciplined in accordance with disciplinary procedures described in this handbook. If a student refuses to take the test, she/he will be advised that such denial will be considered an admission of alcohol use with the consequent discipline invoked. The student will then be given a second opportunity to take the test.

3. Use of Tobacco and Vaping

Smoking and other tobacco uses are a danger to a student's health and to the health of others. Monroe Preparatory Academy prohibits the sale, distribution, use, or possession of any form of tobacco, or vaping products/paraphernalia during school time or at any MPA activity. This prohibition also applies when going to and from Monroe Preparatory Academy and at Monroe Preparatory Academy' bus stops. Violations of this rule could result in suspension or expulsion.

4. Student disorder/demonstration

Students will not be denied their rights to freedom of expression, but the expression may not infringe on the rights of others. Disruption of any MPA' activity will not be allowed. If a student (or students) feels there is need to organize some form of demonstration, she/he is encouraged to contact the HEAD OF SCHOOL to discuss the proper way to plan such an activity. Students who disrupt Monroe Preparatory Academy may be subject to suspension or expulsion.

5. Possession of a weapon

A weapon includes conventional objects like a firearm, guns, pellet guns, ammunition, knives, or club type instruments. It may also include any toy that is presented as a real weapon or reacted to as a real weapon. A "firearm" has the same meaning as provided in the "Gun-Free Schools Act of 1994," 108 Stat. 270, 20 USC 8001(a) 2. A "knife" is any instrument that possesses a pointed or sharp-edged blade of metal or other rigid material and that is designed or can be used for cutting, slicing, or stabbing. This definition shall include, but is not limited to: straight razors, razor blades, utility knives, box cutters, ice picks, pocket knives, switch blades and hunting knives. Possession of a weapon may subject a student to suspension or expulsion. It makes no difference whether the weapon belongs to someone else, unless the student can provide convincing evidence that the weapon was placed in the student's possession without his/her knowledge. If it can be confirmed that a weapon was brought on Monroe Preparatory Academy' property by a student other than the one who possessed the weapon, that student shall also be subject to the same disciplinary action.

A student may be expelled from Monroe Preparatory Academy if she/he brings onto or has in his/her possession, on Monroe Preparatory Academy property or at an MPA activity any of the following:

- A. any explosive, incendiary, or poison gas including bombs, grenades, rockets, missiles, mines, or device that can be converted into such a destructive item
- B. a knife
- C. any firearm or similar objects that are intended to invoke bodily harm or fear of bodily harm (e.g. air gun, blow-gun, toy gun, etc.)

6. Use of an object as a weapon

Any object that is used to threaten, harm, or harass another may be considered a weapon. This includes but is not limited to padlocks, pens, pencils, laser pointers, jewelry and so on. This violation may subject a student to suspension or expulsion.

7. Knowledge of Dangerous Weapons or Threats of Violence

Because the Board believes that students, staff members, and visitors are entitled to function in a safe environment at Monroe Preparatory Academy, students are required to report knowledge of dangerous weapons or threats of violence to the HEAD OF SCHOOL. Failure to report such knowledge may subject the student to discipline.

8. Purposely setting a fire or attempting to set fire

Anything, such as fire, that endangers the property and its occupants at Monroe Preparatory Academy property will not be tolerated. Arson will subject the student to suspension or expulsion.

9. Physically assaulting a staff member/student/person associated with MPA

Physical assault at Monroe Preparatory Academy against an MPA employee, student, volunteer, or contractor, or another, which may or may not cause injury, may result in charges being filed and subject the student to suspension or expulsion. Physical assault is defined as “causing or attempting to cause physical harm to another.”

10. Verbally threatening a staff member/student/person associated with the MPA

Verbal assault at Monroe Preparatory Academy against an MPA employee, volunteer, or contractor or making bomb threats or similar threats directed at the building, property, or an MPA related activity will be considered verbal assault. Verbal threats or assault may result in suspension and expulsion. Verbal assault is a communicated intent to inflict physical or other harm on another person, with a present intent and ability to act on the threat.

11. Extortion

Extortion is the use of threat, intimidation, force, or deception to take, or receive something from someone else. Violations of this rule will result in disciplinary action up to and including suspension or expulsion.

12. Gambling

Gambling includes casual betting, betting pools, organized-sports betting, and any other form of wagering. Students who bet on an activity in which they are involved may also be banned from that activity. Violations of this rule could result in suspension or expulsion.

13. Falsification of schoolwork, identification, forgery

Forgery of hall passes and excuses as well as false I.D.'s are forms of lying and are not acceptable.

Plagiarism and cheating are also forms of falsification and subject the student to academic penalties as well as disciplinary action. Violations of this rule could result in suspension or expulsion.

14. False alarms, false reports, and bomb threats

A false emergency alarm, report or bomb threat endangers the safety forces that are responding, the citizens of the community, and persons in the building. Violations of this rule could result in suspension or expulsion. The HEAD OF SCHOOL may expel a student from Monroe Preparatory Academy for a period of up to one year for making a bomb threat to Monroe Preparatory Academy' building or to any premises at which an MPA' activity is

occurring at the time of the threat. An expulsion shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

15. Explosives

Explosives, fireworks, and chemical-reaction objects such as smoke bombs, pipe bombs, bottle bombs, small firecrackers, and poppers are forbidden and dangerous. Violations of this rule could result in suspension or expulsion.

16. Trespassing

Although schools are public facilities, the law does allow Monroe Preparatory Academy to restrict access on the property of Monroe Preparatory Academy. If a student has been removed, suspended, or expelled, the student is not allowed on the property of Monroe Preparatory Academy without authorization of the HEAD OF SCHOOL. In addition, students may not trespass onto the property of Monroe Preparatory Academy at unauthorized times or into areas of Monroe Preparatory Academy determined to be inappropriate. Violations of this rule could result in suspension or expulsion.

17. Theft

When a student steals the property of Monroe Preparatory Academy, MPA employee, student, volunteer, or contractor, or any other affiliated MPA individual or company, she/he will be disciplined and may be reported to law enforcement officials. Students are encouraged not to bring anything of value to Monroe Preparatory Academy that is not needed for learning without prior authorization from the HEAD OF SCHOOL or teacher. Monroe Preparatory Academy is not responsible for personal property. Theft may result in suspension or expulsion.

18. Disobedience

The staff at Monroe Preparatory Academy is acting "in loco parentis," which means they are allowed, by law, to direct a student, as would a parent. This applies to all staff, not just teachers assigned to a student. If given a reasonable direction by a staff member, the student is expected to comply. Disobedience can result in suspension or expulsion.

19. Damaging property

Vandalism and disregard for the property of Monroe Preparatory Academy, or others' private property located on MPA premises or at any MPA event, will not be tolerated. Violations could result in suspension or expulsion, repayment to MPA of the costs of repair or replacement of the damaged property, and/or reported to law enforcement officials.

20. Persistent absence or tardiness

Attendance laws require students to be in school all day or have a legitimate excuse. It is also important to establish consistent attendance habits to succeed in school and in the world-of-work. Excessive absence could lead to retention, suspension, subject to automatic withdrawal, or expulsion from school.

21. Unauthorized use of the property of Monroe Preparatory Academy or private property

Students are expected to obtain permission to use any property of Monroe Preparatory Academy or any private property located on the premises of Monroe Preparatory Academy. Any unauthorized use shall be subject to disciplinary action. This includes use of the Internet and communication networks in a manner not sanctioned by policy and administrative guideline. Violations of this rule could result in suspension or expulsion.

22. Refusing to accept discipline

Monroe Preparatory Academy may use informal discipline to prevent the student from being removed from school. When a student refuses to accept the usual discipline for an infraction, the refusal can result in a sterner action such as suspension or expulsion.

23. Aiding or abetting violation of the rules of Monroe Preparatory Academy

If a student assists another student in violating any MPA' rule, they will be disciplined and may be subject to suspension or expulsion. Students are expected to resist peer pressure and exercise sound decision-making regarding their behavior.

24. Displays of affection

Students demonstrating affection between each other are personal and not meant for public display. This includes touching, hugging, kissing, petting, or any other contact that may be considered sexual in nature. Such behavior may result in suspension from Monroe Preparatory Academy or possibly expulsion.

25. Possession of electronic equipment

Most electronic equipment necessary in Monroe Preparatory Academy is supplied by Monroe Preparatory Academy. Students are not allowed to bring tablets, electronic toys, pagers, cellular telephones, laser pens, and the like without the permission of HEAD OF SCHOOL. The property will be confiscated and disciplinary action will be taken. Violations of this rule could result in suspension or expulsion.

26. Violation of individual Academy/classroom rules

Each learning environment has different rules for students. Individual rules are for the safe and orderly operation of that environment. Students will be oriented to specific rules, all of which will be consistent with the policy of the Academy. While every attempt will be made to teach/re-teach appropriate behavior, persistent violations of rules could result in suspension or expulsion.

27. Disruption of the educational process

Any actions-or manner of dress that interferes with the activities or disrupts the educational process at Monroe Preparatory Academy is unacceptable. Such disruptions also include delay or prevention of lessons, assemblies, field trips, athletic, and performing arts events.

28. Harassment/Bullying/Hazing

The Ohio Legislature defines bullying *as an intentional written, verbal, or physical act that a student has exhibited toward another particular student more than once and the behavior both: (1) causes mental or physical harm to the other student, and (2) is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.*

Harassment Policy

Harassment of students is prohibited, and will not be tolerated. This includes inappropriate conduct by other students as well as any other person in the environment at Monroe Preparatory Academy including employees, board members, parents, guests, contractors, vendors and volunteers. It is the policy of MPA to provide a safe and nurturing educational environment for all its students. This policy applies to all activities on the property and to all Monroe Preparatory Academy sponsored activities whether on or off the property of Monroe Preparatory Academy.

Harassment is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical or emotional well-being. This would include harassment based on characteristics, such as sex, race, color, national origin, religion, height, weight, marital status or disability. This policy, however, is not limited to these categories and includes any harassment that would negatively impact students. This would include such activities as stalking, bullying, name-calling, taunting, hazing and other disruptive behaviors.

Any student that believes she/he has been/or is the victim of harassment should immediately report the situation to any available staff member.

Every student should, and every staff member **must** report any situation that they believe to be improper harassment of a student. Reports may be made to those identified above.

If the investigation finds harassment occurred it will result in prompt and appropriate remedial action. This may include up to expulsion for students, up to discharge for employee, exclusion for parents, guests, volunteers and contractors, and removal from any officer position and/or request to resign for board members. Retaliation against any person for complaining about harassment, or participating in a harassment investigation, is prohibited. Suspected retaliation should be reported in the same manner as harassment. Intentionally false harassment reports, made to get someone in trouble, are also prohibited. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

The following definitions are provided for guidance only. If a student or other individual believes there has been harassment, regardless of whether it fits a definition, she/he should report it and allow the administration to determine the appropriate course of action.

PROCEDURES FOR SUSPENSION, EXPULSION AND EMERGENCY REMOVAL

A. Suspension

Suspension is defined as the denial to a student for a period of at least one (1) but no more than ten (10) school days.

After alleged misconduct becomes known to MPA' administrators, the student shall be given written notice of the intention to suspend and the reasons for such action by the HEAD OF

SCHOOL or assistant administrator. The student will be given an opportunity to appear at an informal hearing before the HEAD OF SCHOOL or assistant administrator, or designee, to challenge the reasons for the possible suspension or to otherwise explain his/her actions.

Within one school day after the time of a student's suspension, the HEAD OF SCHOOL or assistant administrator, or designee shall send written notice of the suspension to the student and his/her parent, guardian, or custodian and the Treasurer of the Board of Trustees. The notice shall specify the duration of the suspension and the reasons therefore. It also shall include notification of the right of the student, or his/her parent, guardian or custodian to appeal the suspension to the Board of Trustees or to the HEAD OF SCHOOL (or to its designee) within fourteen (14) calendar days of the first date of suspension, to be represented in the appeal proceeding, and to request that such hearing be held in executive session if conducted by the Board of Trustees.

This procedure shall not and need not be followed in cases where a student is removed from one or more curricular for a period of less than twenty-four (24) hours and is not subject to suspension or in cases where a student is removed from any extracurricular activities.

B. Expulsion

Expulsion is defined as the denial to the student, for a period of more than ten (10) Academy days but less than eighty (80) Academy days (except for circumstances identified below), of permission to attend Academy and to take part in any Academy function.

Prior to any expulsion, the HEAD OF SCHOOL shall give the student and his/her parent, guardian or custodian written notice of the possibility of expulsion and shall provide the student and his/her parent, guardian or custodian with an opportunity to appear in person before the HEAD OF SCHOOL or designee and challenge the reasons for the possible expulsion or otherwise explain the student's actions.

The notice shall include the reasons for the possible expulsion, notification of the right of the student, guardian, custodian or their representative to appear before the HEAD OF SCHOOL or designee to hear and to challenge the reasons for the possible expulsion or otherwise to explain the student's actions, and notification of the time and place to appear. The time to appear shall not be earlier than three (3) days nor later than five (5) days after the notice is given unless the HEAD OF SCHOOL grants an extension of time at the request of the student, or his/her parent, guardian, custodian or representative. Such extensions shall not exceed five (5) days. If an extension of time is granted, the HEAD OF SCHOOL or designee shall notify the student and his/her parent, guardian, custodian or representative of the new time and place to appear.

Within one school day after the time of any expulsion, the HEAD OF SCHOOL shall send written notice to the student and his/her parent, guardian or custodian and the Treasurer of the Board of Trustees. The notice shall specify the duration of the expulsion and the reasons therefore. It also shall include notification of the right of the student of his/her parent, guardian or custodian to appeal the expulsion to the Board of Trustees or to its designee within fourteen (14) days of the expulsion, to be represented in the appeal proceeding, to be granted a hearing before the Board or its designee to be heard against the expulsion, and to request that such hearing be held in executive session if conducted by the Board.

The HEAD OF SCHOOL shall initiate expulsion proceedings pursuant to R.C. 3313.66 with respect to any student who has committed an act warranting expulsion under the Academy's policy regarding expulsion even if the student has withdrawn from MPA for any reason after the

incident that gives rise to the hearing but prior to the hearing or decision to impose the expulsion. If, following the hearing, the student would have been expelled for a period of time had the student still been enrolled in the MPA, the expulsion shall be imposed for the same length of time as on a student who has not withdrawn from Monroe Preparatory Academy.

Suspensions and expulsions may be carried over into the following school year. When students are expelled for more than twenty (20) school days or for any period that extends into the next school year, the HEAD OF SCHOOL shall give the expelled student(s) the names, addresses and telephone numbers of public and private agencies that work toward improving student attitudes and behavior.

The HEAD OF SCHOOL is authorized to expel a student from Monroe Preparatory Academy for a period not to exceed one year for committing an act that is a criminal offense when committed as an adult and that results in serious physical harm to persons as defined in Division (A)(5) of Section 2901.01 of the Revised Code or serious physical harm to property as defined in Division (A)(6) of Section 2901.01 of the Revised Code while the student is at the Academy, on any other property owned or controlled by the Board, or at an interscholastic competition, an extracurricular event, or any other MPA program or activity not located either in an MPA or property owned or controlled by the Board. Any expulsion under this division shall extend, as necessary, into the school year in which the incident that gives rise to the expulsion takes place. The expulsion period may be reduced on a case-by-case basis for such reasons as the age and mental capacity of the student, the student's prior disciplinary record, the degree of remorse shown, and any other fact deemed mitigating by the HEAD OF SCHOOL under the circumstances.

Whenever a student is suspended or expelled for possession or use of drugs or a firearm, knife, or other weapon, the HEAD OF SCHOOL shall notify the Registrar of Motor Vehicles and the Judge of the Juvenile Court. Such notification is to be given within two (2) weeks after the suspension or expulsion in a manner that complies with the provisions of R.C. 3321.13(B) (3).

C. Emergency Removals

Emergency Removal is defined as the denial to a student whose presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within a classroom or elsewhere on the Academy premises, for a period not exceeding seventy-two (72) hours, of permission to attend the Academy and to take part in any Academy function.

When circumstances are such that a student's continuing presence in Monroe Preparatory Academy, pending completion of the procedures set forth in subparagraphs A or B, is reasonably certain to pose a continuing danger to persons or property or an ongoing threat or disrupting the academic process taking place either within the classroom or elsewhere on Monroe Preparatory Academy premises or at MPA sponsored or related activities or events, the HEAD OF SCHOOL or assistant administrator, or designee, may remove a student from curricular or extracurricular activities or from Monroe Preparatory Academy premises without complying with the notice and hearing requirements of subparagraphs A or B. In like circumstances, a teacher may remove a student from curricular or extracurricular activities under his/her supervision, without complying with the notice and hearing requirements of subparagraphs A or B. As soon as practicable after making such removal, the teacher shall submit reasons, in writing, for such removal to the HEAD OF SCHOOL.

If a student is removed under this subparagraph, written notice of the reason(s) for the removal and written notice of the hearing to be held regarding the removal shall be given to

the student as soon as practicable prior to the hearing. The hearing must be held within seventy-two (72) hours from the time the initial removal is ordered.

The hearing shall be held in accordance with the procedure set forth in subparagraph A above, pertaining to suspensions, unless it is probable that the student may be subject to expulsion. In that event, the hearings shall be held in accordance with the procedure set forth in subparagraph B above, except that the hearing shall be held within seventy-two (72) hours of the initial removal. The Monroe Preparatory Academy official who ordered, caused or requested the student's removal under this provision shall be present at the hearing, unless unable to attend.

This procedure shall not and need not be followed in cases when a student is removed from one or more curricular or extracurricular activities for a period of less than twenty-four (24) hours and is not subject to suspension or expulsion.

D. Disciplinary Removal

Disciplinary Removal is an action less severe than suspension, expulsion or emergency removal and is defined as the removal of the student from a class or other curricular for less than twenty-four (24) hours.

1. A student may be removed from a class or other curricular activity where the student engages in conduct which tends to interfere with or disrupt the class or curricular activity or for a violation of code or MPA rules and regulations.
2. When a student is removed from a curricular activity for more than twenty-four (24) hours, the student shall be given notice of the removal and the reasons for the removal. The student will be given an opportunity to appear before the HEAD OF SCHOOL or assistant administrator, or designee, to hear the reasons for the removal and to explain his/her actions.

E. Other Matters

1. The student and his/her parent, guardian, or custodian may be requested to come to Monroe Preparatory Academy for a conference with the HEAD OF SCHOOL or assistant administrator, or designee. This conference shall normally be held no later than the date the student is scheduled to return to Monroe Preparatory Academy from a suspension or expulsion.
2. Personnel employed by Monroe Preparatory Academy to direct, supervise, or coach a pupil activity program may prohibit a student from participating in that program for up to five school days for violation of MPA' rules, violation of program standards, or other cause deemed sufficient by Monroe Preparatory Academy. The HEAD OF SCHOOL or assistant administrator, or designee, may suspend a student from any or all extracurricular activities of Monroe Preparatory Academy for any extended period.
